Open spaces for today's lifestyle define this home. You will appreciate the wall of windows that greets you as you enter the gallery. The Clerestory stairwell windows provide additional natural light as well for your enjoyment. With a large living area that flows into the dining area and kitchen this home is perfect for entertaining family and friends. The tech center and laundry room are also conveniently located on the first floor. A flex room can be used as an office or den. The second floor features a large owners retreat with a walk in closet and private bathroom. Two additional bedrooms and a full bathroom complete the second floor.
