

DESIGN DRIVEN CARBON CONSCIOUS

29.1 KITCHEN

G 29.1 NXT

A gallery full of windows and natural sunlight greets you in this home. Perfect for entertaining with its open living areas. The spacious kitchen with its tech center and walk in pantry will be any chef's dream. The split bedroom design allows for a private owners retreat on one side of the home, complete with spacious walk in closets, separate bathtub and shower, and a double bowl vanity. On the other side, three additional bedrooms and a full bathroom complete the floor plan. Let's not forget the flex room which can be used as an office or den.
